FROM THE PASTOR REV. ANDREW COLUMBIA, JR.

Greetings, in the name of our Lord and Savior Jesus Christ! It is a privilege to be able to say, we are once again on TBN Nejat TV.

Fulfilling the call to reach the world with the gospel is truly a blessing. We know that Jesus commanded it (Matthew 28:19). Walking in obedience is something that pleases the Lord.

Please pray for us as we share the gospel, and preach and teach relevant messages that will touch the hands of thousands, and potentially millions of Iranians, Iraqis, Afghanis and others throughout the Middle East.

I believe that the blessings promised to Abraham are being fulfilled today through TBN Nejat.

In addition to TBN Nejat TV, I'm excited to be starting our radio ministry on Universal Christian Radio. In addition to taking the gospel to the Middle East through television, we will be taking the lifesaving message of Jesus Christ to people in the United States, Canada, Mexico, Central and South America through satellite radio and cable, as well as the rest of the world through new media such as internet streaming.

I look forward to being able to give you feedback and testimonies regarding

our ministry. Please check our website, www.nlccnow.org (click the New Life Today logo at the top of the home page), as well as our Facebook Group (search "New Life Today Ministries"), for updated information and teachings that you can access.

May the Lord richly bless you, in Christ Jesus.

Pastor Andrew

FROM THE PRODUCER JOSEPH GEISER

Welcome to our first newsletter! We want our supporters, listeners and viewers to know more about the ministry, what may be on the horizon, and other news that you should know about.

We'll include news from our television ministry, our ra-

dio ministry, updates to our air schedule including new stations, and an updated program guide.

And as Jesus said, "you will know them by their fruit," and the fruit of this ministry is simply, souls. So we'll include testimonies and statistics of calls and let-

ters, as well as professions of faith.

We will also be launching a new, dedicated website, "nlctoday.org" in the near future, please watch for it.

We humbly thank you for your support. Please call or write with any questions or comments you have.

From California

An Iranian woman residing in the US says that faith in Jesus got her out of darkness and walking in the light and strength of God. When she tuned into Nejat at her home, her husband acted a lot calmer and gentler.

From Iran

A woman from Iran called to give us her testimony. For years, she suffered from severe migraine headaches. She used many different drugs with no improvement. One evening, while watching Nejat TV, in pain, she heard that she needed to accept Jesus and live with Him. She said, "Lord, if this is true, please heal me." At that moment, she felt warm and the next day, the pain was gone for good. She continues to walk with Jesus and she is a bold witness for Him.

TELEVISION NEWS

Our television ministry was on hiatus for some time, but has since started up again this past October with TBN Nejat.

Nejat TV is aired globally, but is targeted toward the Middle East, and specifically the countries of Iran, Iraq, Afghanistan and Pakistan, where people can understand Farsi, even though their native language may be Pashto or Urdu.

God has really opened doors for this ministry, confirming that He wants the gospel spread into the land of Ishmael.

It's really too soon to tell,

but within the next month or so, we should have a good handle on the program's impact on the area. Viewers can contact us either through Nejat TV's offices in Tulsa, OK, or directly to us by telephone or e-mail.

There are some testimonies on the last page of this newsletter, which show just how God is working in this area of the world.

In addition to Nejat TV, we are looking at various local outlets including Cable and Terrestrial (standard broadcast) television. If everything can be worked

out, New Life Today will air on Comcast, in our local area of Jamison, Doylestown and Warminster in the next one-to-two months.

Jesus commands us to take the Gospel into all the world—this is known as the Great Commission in Matthew 28:19. Part of the "world" is our own backyard.

If you have questions or comments, or would like to support us financially, please let us know by e-mail at viewers@nlccnow.org, or give us a call.

RADIO NEWS

We had to discontinue airing New Life Today on terrestrial (over-the-air) radio, both here in Philadelphia (our home town), as well as other areas around the United States.

The reasons were purely economic. Funding did not cover the costs of airing the program.

It could be that the Lord was closing this door for a season.

Christian Radio is one of the biggest and best ways, to get to the lost. New Life Today is committed to

using radio—both terrestrial and other broadcast mediums—to get the message of God out to the people.

New Life Today will start airing on Universal Christian Radio starting November 11. UCR is a satellite and internet radio outlet that will allow the program to be aired, and a very reasonable cost.

If you listened to New Life Today on radio, you still can, starting November 11, 2009.

If you subscribe to Glo-

ryStar, SpiritCast or SkyAngel, check your audio programming listings. If you are not a subscriber, but have an internet connection, go to www.UniversalChristianRadio.com and listen to New Life Today. We are on, again starting Wednesday, November 11th, at 12:30 PM. If you can't listen at that time, catch it "On Demand" at UCR's website.

Please see our program guide on the next page for complete listings of programming.

QUESTIONS, CALLS, AND LETTERS

We get many letters, including testimonies as well as questions about our ministry. Here are a few that will inspire and uplift you as a supporter of New Life Today.

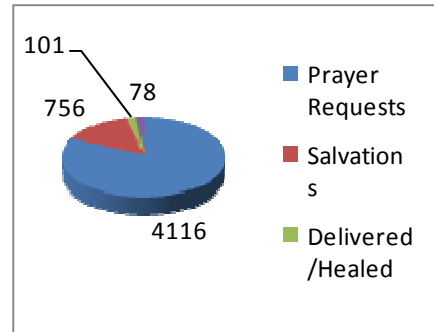

Q: Do you keep records on your responses from listeners and viewers, and if so, what kind of response are you getting?

A: We do, and here's a snapshot graph of the number of calls received, and the status of those calls. As you can see, the largest number of calls are for prayer, with salvations and professions of faith

the next largest category of call. We keep track of each and every call, and we follow-up where needed.

Q: Why is the programming different between radio and TV?

A: The short answer is audience. TV is aimed at Middle Eastern countries, whereas Radio is global and appeals to a larger, more diverse audience.
